8. **Free and Clear Sale of Premises.** At Closing Seller will deliver title to the Premises free and clear of all Encumbrances (except for Permitted Encumbrances), including all existing mortgages, assignments and financing statements, pursuant to the applicable provisions of the Bankruptcy Code, with the mortgage of the Seller’s lender and secured creditor, Museum Building Holdings LLC (the “**Lender**”), to be paid at Closing as to all agreed and allowed amounts, with a reserve to be established from the sale proceeds as to any amounts in dispute.

11.1 Unless otherwise provided below, the following are to be adjusted and prorated between Seller and Buyer as of 12:01 A.M. (c) If on the Closing Date there are any liens which Seller is obligated hereunder to discharge or satisfy, Seller may use any portion of the Purchase Price to discharge or satisfy the same, or may deposit with the Title Company an amount sufficient to discharge or satisfy the same, provided that, upon such deposit, the Title Company “omits” same from Buyer’s title report and policy. The existence of liens, encumbrances, Real Estate Taxes, assessments and obligations or any utility related charges shall not be an objection to title.

11.3 Seller shall pay all expenses for examination of title, the premium for any title insurance policy issued to Buyer, and all other title, survey or other expenses incurred by Seller in connection with this Contract of Sale or the closing of title hereunder.

11.4 To the extent not otherwise exempt pursuant to Section 1146(a) of the Bankruptcy Code, Seller shall, at the Closing, either pay, credit the Buyer or deposit in escrow with the Title Company, unless the Bankruptcy Court determines otherwise, the amount necessary, if any, to pay in full an amount equal to the applicable local and state transfer taxes payable by reason of the sale of the Premises. Seller and Buyer agree to execute, swear to, and cause to be filed any applicable transfer tax returns or other returns required in connection with the Closing.

11.5 Seller and Buyer each shall pay their own attorneys’ fees in connection with this Contract of Sale and the closing of title.

12. **Bankruptcy Court Approval.** The Contract is subject to Bankruptcy Court approval upon application of the Seller and entry of the Approval Order authorizing the Seller to sell the Premises to Buyer in accordance with the terms hereof. This sale of the Premises shall be conducted as a private sale without competitive bidding unless the Bankruptcy Court orders otherwise. The Seller shall move for Bankruptcy Court approval of this Contract by way of a so-called “363 Sale Motion” and/or accompanying Plan of Reorganization and Disclosure Statement. Buyer acknowledges that the Bankruptcy Court may consider higher or better offers for the Premises, in which event Seller shall seek to declare the Buyer as the “stalking horse buyer” eligible for a break-up fee equal to \$3.25 million and other mutually acceptable bid protections as may be approved by the Bankruptcy Court (collectively, the “**Bid Protection**”). If Buyer does not ultimately purchase the Premises because the Bankruptcy Court received a higher or better offer for the Premises, then, in addition to the Bid Protection, Seller shall (a) cause the Escrow Agent to refund the Deposit to Buyer, and (ii) refund Buyer’s Expense for Title Examination, whereupon this Contract of Sale shall terminate and neither party shall have any further rights or claims against the other, except for those obligations which expressly survive termination of this Contract of Sale.

13. **Conditions Precedent to Buyer’s Obligation to Close.** Buyer’s obligation to consummate the transactions described in this Contract of Sale is subject to the satisfaction, at or prior to such Closing, of each of the following conditions (any of which may be waived by Buyer, in whole or in part):

13.1 The Property shall be in the same condition as it was on the date hereof, ordinary wear and tear excepted.

13.2 Buyer has completed the remaining due diligence as outlined above in Section 3.2 and a timely notice of termination has not been properly served upon Seller.

13.2 Seller has performed or complied in all material respects with all of the covenants and obligations required of Seller by this Contract of Sale.

13.3 The Approval Order shall have been entered which becomes immediately effective.

13.4 The Seller receives good and marketable title to the Property, pursuant to the Approval Order authorizing the sale of the Premises free and clear of all Encumbrances (except for Permitted Encumbrances).

If any of the conditions precedent contained in this Section 13 have not been satisfied by the Closing Date, then Buyer shall have the right to terminate this Contract by written notice to Seller, in which case Seller shall (i) cause the Escrow Agent to refund the Deposit to Buyer, and (ii) refund Buyer’s Expense for Title Examination, and neither party shall have any further rights or claims against the other, except for those obligations which expressly survive termination of this Contract of Sale.

14. **Conditions Precedent to Seller’s Obligation to Close.** Seller’s obligation to consummate the transactions described in this Contract of Sale, and to take the actions required to be taken by Seller at the Closing, is subject to the satisfaction, at or prior to such Closing, of each of the following conditions (any of which may be waived by Seller, in whole or in part):

14.1 Buyer has performed or complied with all of the covenants and obligations required of Buyer by this Contract of Sale.

14.2 The Bankruptcy Court Approval shall have been entered which becomes immediately effective.

15. **Default.** If Buyer shall fail to close the transaction contemplated hereby following entry of the Approval Order other than as a result of a breach of this Contract by Seller, then in such event, upon written notice to the Escrow Agent the Deposit shall be paid over to Seller as agreed upon liquidated damages, it being acknowledged that in such event Seller will suffer substantial damages, but such damages are incapable of exact calculation and the Deposit constitutes a reasonable approximation thereof. After payment to Seller of the Deposit, neither party shall have any further rights or obligations hereunder except with respect to the provisions hereof which specifically survive termination.

16. **Escrow Conditions.**

16.1 Concurrently with the execution of this Contract of Sale, Buyer has paid the Deposit by immediately available federal funds to Seller's counsel, Goldberg Weprin Finkel Goldstein ("**Escrow Agent**").

16.2 Escrow Agent shall hold the Deposit in an escrow account in accordance with this Contract of Sale. Escrow Agent hereby is authorized and directed to deliver the Deposit to Seller if, as and when title closes as provided herein. If Escrow Agent shall receive an instruction from Seller or Buyer as to the Deposit, Escrow Agent shall act in accordance with such instruction if the other party shall fail to notify Escrow Agent not to act in accordance with such instruction within ten (10) days after delivery of such instruction by Escrow Agent. Escrow Agent may deposit the Deposit with the Bankruptcy Court, whereupon Escrow Agent shall have no further responsibility or liability hereunder relating to the Deposit. Escrow Agent may act upon any instruction or other writing believed by Escrow Agent in good faith to be genuine and to be signed or presented by the proper persons.

16.3 Seller and Buyer acknowledge that Escrow Agent shall not be liable for any act or omission unless taken or suffered in bad faith, in willful disregard of this Contract of Sale or involving gross negligence. Seller and Buyer shall jointly and severally indemnify and hold Escrow Agent harmless from and against any reasonable costs and reasonable expenses incurred in connection with the proper performance of the Escrow Agent's duties hereunder. If a dispute arises as to the holding of the Deposit, Seller and Buyer shall be jointly and severally liable for, and shall pay Escrow Agent, any reasonable costs of Escrow Agent incurred in connection therewith.

16.4 All instructions or notices given pursuant to this Section 16 shall be in writing and delivered in accordance with the requirements for notices pursuant to Section 18. Such instructions and notices shall be deemed delivered as provided in Section 18, except that no instruction or notice to Escrow Agent shall be deemed effectively delivered to Escrow Agent until actual receipt thereof by Escrow Agent.

16.5 Seller and Buyer acknowledge that Escrow Agent may continue as counsel to the Seller with respect to any disputes hereunder without creating an actual or potential conflict of interest.

17. **Brokerage.** Each party represents and warrants to the other that they have not dealt with any broker in connection with this sale except Seller has dealt with and will seek Bankruptcy Court approval to pay a commission to George Swain Investments (the “**Broker**”) as a part of the Approval Order. Seller agrees to pay, and indemnify and hold Buyer harmless from and against, any and all liability, claim, loss, damage or expense, including reasonable attorneys’ fees, in connection with the Broker. The provisions of this Section 17 shall survive the Closing.

18. **Notices.** In order for the same to be effective, each and every notice, communication, request or demand permitted or required to be given by the terms and provisions of this Contract of Sale, or by any law or ordinance shall be given in writing, in the manner provided in this Section unless expressly provided otherwise elsewhere in this Contract of Sale.

18.1 In the case of notices given by Seller to Buyer, any such notice shall be addressed to Buyer at its address as stated on the first page of this Contract of Sale and copies to Buyer’s counsel, Eric R. Decator, LLC, 561 Chateaux Bourne Drive, Barrington, IL 60010, Attention: Eric R. Decator, Esq., edecator@decatorlaw.com.

18.2 In the case of notices given by Buyer to Seller, any such notice shall be addressed to Seller at its address as stated on the first page of this Contract of Sale, and a copy to Seller’s attorneys, Goldberg Weprin Finkel Goldstein LLP, 1501 Broadway, 22<sup>nd</sup> Floor, New York, New York 10036, Attention: Kevin J. 18.4 Each party hereby authorizes its attorney named above or any successor attorney or managing agent designated by such party to give and receive any notice on its behalf.

18.5 Notices may be given by overnight courier with receipted delivery, or by any other manual or electronic means, or by hand delivery. Notices so given shall be deemed served and given on the date of receipt if received before 7:00 P.M. prevailing New York time on a business day, or on the first business day following receipt if it is received at any other time.

18.6 Either party may, by notice as aforesaid, designate one or more different parties and addresses for notices in lieu of those specified above. Such designation shall be valid only when notice of such designation is given in the manner required herein.

19. **Representations, Warranties and Covenants of Seller.** Buyer represents, warrants and covenants to Seller as follows:

19.1 Subject to the Bankruptcy Court Approval, Seller has the legal power, right and authority to enter into this Contract of Sale and the instruments referenced herein and to consummate the transaction contemplated thereby.

19.2 Except for the Bankruptcy Court Approval, no consent of filing with any Governmental Body is required for Seller to execute this Contract of Sale and perform the transactions described in this Contract of Sale by the Seller. The execution and delivery of this Contract of Sale by Seller does not violate any provisions of the Organizational Documents of Seller and will not result in a breach or violation or default under any Order or Governmental Authorization to which Seller is subject or result in a breach by Seller under any contract to which it is bound.

19.3 Except as otherwise expressly stated in this Contract of Sale, Seller makes no representation and warranty as to the Condition of the Premises, the operations of the Premises or the market conditions of the area in which the Premises is located and is conveying possession of the Premises to Buyer **AS IS, WHERE IS AND WITH ALL FAULTS** as of the date of this Contract, reasonable wear and tear, natural deterioration and damage by casualty excepted, and without representation or warranty of any kind or nature whether express or implied or arising by operation of law.
